Package Features

Additional Delay Payment

Mayflower values your time as much as you do. If we pick up or deliver your belongings to your home after the scheduled time, we will compensate you for the delay. Receive the standard \$100 for each day the pickup or delivery of your household goods is late or increase the amount to \$250 with the purchase of most packages.

Additional Valuation Protection

The Additional Valuation Protection offering increases your declared Full-Value Protection amount when you choose any of the packages.

Claims Assist

In the unlikely event of a claim, after contacting Mayflower with a loss or damage claim inquiry within 30 days of delivery, we will provide you with considerate on-site or equivalent online help. We help you complete your claim form, have repairs made, or discuss replacement options for loss or damage of your belongings.

Destination Debris Pickup

You have a lot on your mind after a big move — cleaning up packing supplies shouldn't be one of them. Just contact us within 30 days of delivery, and we'll pick up your empty cartons and packing material waste.

Gold Standard Protection®

Mayflower offers this value-added service option designed to enhance the standard coverages for your valuable possessions, while making your move as efficient and straightforward as possible. Once you choose your level of Full-Value Protection, you can also receive the following:

Pairs and Sets — If any one item in a set is damaged and cannot be fixed or replaced to match the set, Mayflower will replace or pay for the entire set's replacement value.

Mechanical Malfunction — Mayflower stands behind its commitment to care for your equipment. All equipment that is in good working condition before the move will be in the same working condition after the move or it will be repaired or replaced – even if the cartons do not indicate damage.

Acts of God — Claims for loss or damage caused by a natural disaster during the move will be eligible for compensation.
